Biography

Zadrian Ardi, Senior Lecturer in Guidance and Counseling, Universitas Negeri Padang (UNP), Indonesia. He received his B.E., M.Ed., Counselor (Counselor Profession Education degree- only in Indonesia) and Doctoral degree in Guidance and Counseling Universitas Negeri Padang, Indonesia, in 2012, 2014, 2015, and 2018, respectively. His research and expertise areas are assessment in counseling, technology in counseling, internet addiction intervention, anxiety disorder intervention, and mental health counseling.

Zadrian Ardi is also the founder of applications and platforms in the psychological area. POTENSIA Apps help users follow a series of self-disclosure assessments that understand themselves and help professionals with counseling interventions. KONSELO Apps, the applications that become online counseling media, help users find and contact the right counselor according to the problem.

Zadrian Ardi has a licensed counselor at the Indonesia Counselors Association (IKI) and a private counselor in mental health counseling, psychological assessment, anxiety disorder intervention, and internet addiction intervention.
